

# One Week on the Oneida of the Thames Territory

## COLONIAL IMPACTS ON ENVIRONMENTAL MANAGEMENT GEOG391: ONEIDA FIELD SCHOOL

Based on the success of 2023's inaugural class, UVic Geography is again offering this unique opportunity to contribute to Land Back projects on the Oneida Nation of the Thames Territory. This territory is in southwestern Ontario and borders the eastern shore of the Thames River, 30km south of London.

### PROJECTS WILL INCLUDE:

- Food security and sovereignty mapping
- Mitigation of environmental racism
- Language revitalization
